

Notification of personal data breaches

Law no. 1.565 of December 3, 2024 introduces a new obligation for data controllers: they must notify **any personal data breach of which they have become aware** that is **likely** to result in a **risk to the rights and freedoms of the affected individuals**.

This notification **must** be made to the **APDP** in order to ensure that the rights and freedoms of the people affected by the breach are preserved.

In some cases, the notification may also be accompanied by a **communication** to the people affected by the breach.
