

The main principles of personal data protection

Article 4 of Law no. 1.565 of December 3, 2024 lists the 6 main principles of personal data protection that all data controllers must respect.

These are as follows:

- the lawfulness, fairness, and transparency principle;
- the purpose limitation principle;
- the data minimization principle;
- the data accuracy principle;
- the storage limitation principle; and
- the data security principle.
