

Scope of application of the Law

Pursuant to Article 3, the Law no. 1.565 of December 3, 2024 **applies to the processing** of personal data, fully or partially automated, as well as non-automated processing of data contained or intended to be included in the files:

- **implemented by a data controller or processor located in Monaco**, whether the processing takes place in Monaco or not;
- **relating to data subjects located in the territory of the Principality and implemented by a data controller** or processor outside of the territory of the Principality when the processing relates to the offer of goods or services or to the monitoring of the behavior of these data subjects.
