Data processor's record of catégories of processing activities

In accordance with Article 27 of Law no. 1.565 of December 3, 2024, a processor must keep a record of all categories of processing activities carried out on behalf of one or more controllers.

To assist you in completing this record, the APDP is providing you with a record template as an Excel file (in French) **available here**.

To assist you, a “**Help and definitions” section** as well as **factsheets** are also available.
